About BFSoE

Baba Farid School of Entrepreneurship (BFSoE), is MSME-HI Incubation Centre and is registered under the Societies Registration Act, 1860 to promote innovation and entrepreneurship. To accomplish Its goal, BFSoE facilitates startups, enterprises, faculty and students by providing technical and business support & services.

Entrepreneurship is essential for fostering innovation, creating employment opportunities, and driving economic development. By focusing on promoting innovation and entrepreneurship, BFSoE is making a positive Impact on the community it serves and contributing to the larger goal of building a thriving entrepreneurial ecosystem.

Incubation program of Baba Farid School of Entrepreneurship aims to nurturing innovative business ideas and transforming them into successful ventures. By offering such support, BFSoE helps startups to overcome initial challenges, improve their chances of success, and contribute to economic growth and job creation in the region. This support includes mentorship access to resources and networks, guidance on business strategy, funding assistance, and other valuable assistance that can significantly contribute to the success of startups and entrepreneurial endeavours.

Our Vision

To foster the entrepreneurial culture and developing leaders from diverse backgrounds to address the real time problems with their innovative ideas.

Our Mission

To assist the budding entrepreneurs at all levels from pre-Incubation-to-incubation-to-enterprise.

To provide necessary business support services such as infrastructure, mentoring. Training. Networking. Legal and Funding etc.

To promote linkages with Industries, research institutions, Government agencies and other related organizations engaged in promoting innovation and entrepreneurial skills.

To make the School of Entrepreneurship a Self-Sustainable in terms of administration, Process, Partnership & Networking and Finances.

To build an environment to incubate and support innovative Ideas for solving problems of society to generate employment opportunities.

Family Business Dynamics

On February 28, 2024, BFSoE, Entrepreneurship Development Institute of India (EDII), Ahmedabad, and Santosh Startups Forum hosted "Catalyzing Growth and Innovation: The Role of the Next Generation in Family Business."

Ms. Simran Sodhi from EDII led the session, discussing family business challenges with examples from Reliance and Monte Carlo. Over 75 students from Baba Farid Group of Institutions and Santosh University participated, gaining valuable insights. The event was aimed at exploring innovative roles for the next generation.

Startup Awareness Sessions

On 7 February 2024, 21 February 2024 and 27 March 2024 Ms. Iqbalpreet Kaur Sidhu, Incubation Manager at Baba Farid School of Entrepreneurship (BFSoE), led an inspiring startup awareness session in department of Agriculture, Biotech, and Commerce. Aimed at students, the event explored startup culture through personal anecdotes and industry insights.

Iqbalpreet encouraged students to consider entrepreneurship beyond traditional careers, covering everything from ideation to execution. She stressed identifying market gaps, developing business models, and the importance of networking and mentorship. The session, filled with success stories of startups with humble beginnings, left students excited and determined to embark on their entrepreneurial journeys.

ICAN-Startup Idea Competition

On March 7, 2024, BFSoE hosted the ICAN "Startup Idea Competition" for Baba Farid Group of Institutions students, showcasing entrepreneurial talent.

Judges Mr. Naman Singhal CEO, AIC, ISB Mohali; and Dr. Akshay Nag CEO, CUPRDF, Central University of Punjab; evaluated ideas on innovation and scalability. Winners "Bee Wax Moth Trap," "Handmade Customized Gifts," and "Blue Collar Job" received prizes of Rs 8000, 5000, and 3000. The event aimed to inspire and support budding entrepreneurs.

CODEVISTA 3.0 "Programmer to Startup"

On March 21, 2024, Baba Farid School of Entrepreneurship (BFSoE) hosted CODEVISTA 3.0 "Programmer to Startup," where programmers showcased coding skills and startup ideas. Out of 48 teams, 24 were selected for presentations.

The judging panel, including Mr Parwinder Singh, Director, Allumez Infotech Pvt. Ltd., Mohali & Net Tycoons LLC, USA; Mr. Rahul Jindal, Founder, Inventoscope LLP, Bathinda; and Mr. Lakhwinder Singh, System Analyst, BFGI; offered valuable feedback and encouraged innovation. Top winners Nikhil Kumar, Nimarpreet Singh, and Mehakdeep Singh received Rs 10,000, 8,000, and 5,000, respectively, along with incubation services from BFSoE.

Exhibited at Startup Mahakumbh

The Startup Mahakumbh, held from March 18 to 20, 2024, at Bharat Mandapam in New Delhi, highlighted India's vibrant startup ecosystem. Stagroztch India Pvt. Ltd. and Syrus AI Pvt. Ltd. from Baba Farid School of Entrepreneurship (BFGI), Bathinda, showcased their innovative tech and AI solutions.

Representing BFGI among various incubators, these startups impressed with their cutting-edge ideas. The event facilitated networking and collaboration among entrepreneurs, investors, and researchers, boosting innovative ventures.

Grant-in-aid of Rs 2.5 Lakh from PSCST, Mohali

A startup incubated at BFSoE, have applied for SHE Cohort 2.0 launched by Punjab State Council for Science & Technology and got shortlisted in 40 out of 300 applicants for a two-week orientation programme. Final 25 ideas pitched in front of Investors and on 14th March 2024, the startup idea received the grant-in-aid of Rs 2.5 Lakh.

The startup is founded by Ms. Ankita Pandey and Dr. Vivek Sharma. It works on recycling Waste PET into Pure PET which revolutionize the packaging industry offering low cost 100% pure PET. The startup has been registered as a Limited Liability Partnership with the name Harinarayan Recyclers LLP and also received the startup recognition.

Rs 4 Lakh Grant from Atal Incubation Centre, IISER Pune

A startup incubated at BFSoE, BFGI, secured a grant of 4 lakh from Atal Incubation Centre, IISER Pune, on March 27th and 28th, 2024. Led by Dr. Vivek Sharma, Faculty at BFGI, and Mrs. Ankita Pandey, the startup stood out among over 80 teams nationwide.

The event, supported by sponsors like NITI Aayog, IISER Pune, Bharat Seats Ltd., and NDR Auto Components Ltd., showcased the collaborative entrepreneurial ecosystem. Notable figures such as Padma Shree Dr. Shvram, Dr. Arvind Chinchure, Dr. Sachin Jain, and Dr. Amitab Shrivastava engaged with participants. The grant not only provides financial support but also highlights the startup's innovative vision.

BFGI Startup got funding of Rs 4 lakh

One of BFGI startups in pre-incubation stage, has achieved a remarkable success at the SPRINT-North Edition held at Central University of Punjab on March 1st, 2024. Lovepreet Singh, student, BSc Agriculture, BFC under the mentorship of Dr. Ankit Sharma, secured a grant-in-aid of Rs 1 Lakh and Funding of Rs 3 Lakh in this prestigious event.

Lovepreet Singh's startup presented an innovative solution that captivated the judges' attention among the 20 teams selected for the final round. The event showcased the creativity and ingenuity of budding entrepreneurs, in which two teams in the pre-incubation stage and one team in the incubation stage from BFGI's Baba Farid School of Entrepreneurship made it to the finals.

Our Interns

Shriya Arora
BBA 2nd Semester

Madhav Jangid
BTech 'CSE' 4th Semester

BFSOE has introduced a new internship program for BFGI students, centered on "Entrepreneurship and Intellectual Property Rights. This program offers a eight-week opportunity for hands-on experience, designed to immerse interns in the practical aspects of entrepreneurship and the crucial role of IPR. The internship aims to equip participants with a deep understanding of startup operations, the importance of protecting intellectual property, and essential skills for navigating the entrepreneurial landscape

BFSOE Participated in PINE Event

On June 12, 2024, Dr. Manish Gupta, Head, Baba Farid School of Entrepreneurship (BFSOE), attended a prestigious event organized by PINE (Punjab Innovation Network for Entrepreneurs) at Innovation Mission Punjab, Mohali.

The event brought together a diverse group of stakeholders, including startups, investors, mentors, and incubators, all under one roof. Startups had the unique opportunity to pitch their innovative ideas directly to representatives from various incubators. These pitches were followed by in-depth one-on-one discussions between the startups and incubator leaders, facilitating valuable feedback and potential partnerships.
