ABOUT US

Baba Farid College of Engineering & Technology has been delivering academic excellence with complete panache. Being the Leading Educational Institute of the Region, it is a preferred destination of Indian and international learners to attain their career goals. To create a startup ecosystem & to inculcate the entrepreneurial traits, BFCET has established “Baba Farid School of Entrepreneurship” with an objective to support the budding entrepreneurs in establishing their new ventures through constant guidance & mentorship by conducting various training programs & industrial collaborations.

Baba Farid School of Entrepreneurship (BFSoE), an Incubation Centre is registered under the Societies Registration Act, 1860 to promote innovation and entrepreneurship. To accomplish its goal, BFSoE facilitates startups, enterprises, faculty and students by providing technical and business support & services.

VISION

To foster the entrepreneurial culture and developing leaders from diverse backgrounds to address the real time problems with their innovative ideas.

MISSION

- ✦ To assist the budding entrepreneurs at all levels from pre-incubation-to-incubation-to-enterprise
- ✦ To provide necessary business support services such as infrastructure, mentoring, training, networking, Legal and Funding etc.
- ✦ To promote linkages with industries, research institutions, government agencies and other related organizations engaged in promoting innovation and entrepreneurial skills.
- ✦ To make the School of Entrepreneurship Self-Sustainable in terms of administration, process, partnership & networking and finances

ENTREPRENEURSHIP AWARENESS PROGRAMS

To create an ecosystem of entrepreneurship BFSoE continuously interacts with various Government bodies and departments to organize various awareness programs such as Entrepreneurship Awareness Camps (EAC) in association with DST Govt. of India, seminars, conferences and Expert Talks. Boot Camps and Hackathons are organized to identify the potential innovations for further incubation.
